Supplemental Office Action

1. Please disregard the allowance notice mailed on 07-09-2004, since it has discrepancy in allowed claims. The Claim 18 has been cancelled. Allowed claims are 1-17, 19.
2. The terminal disclaimer filed on June 15, 2004 disclaiming the terminal portion of any patent granted on this application has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

2. Claims 1-17,19 are allowed.
3. The following is an examiner's statement of reasons for allowance:

A timely filed on June 15, 2004 terminal disclaimer in compliance with 37 CFR 1.321(c) has overcome an actual rejection based on a nonstatutory double patenting ground and signed by the agent to fully comply with 37 CFR 3.73(b).

Regarding the prior art rejection applicant has amended independent claims 1,19 and applicant has convincingly argued in paper #6 dated 06-15-2004 pages 15 and 16 that cited prior art of Price et al. (5,561,282) and Clark (5,815,577) fails to teach the specific amended limitations, which overcomes the prior art rejection; and makes the application number 09,575,163 in condition for allowance. The cited references of 892's also fail to

either anticipate individually or render obviousness individually as well as in combination the applicant's invention.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
